

40 minutes walk

Campsite

Kohnenhof

Walk past Reception
and cross the uphill
road by our

neighbor. When you reach the top turn left and follow
the fence (see photo). Carry on until you are in the
woods. If you follow the path downhill you will see a
fence at the end and a ruin in a meadow to your right.

Do not go there but stand
with your back to the ruin and
you will see an uphill path. If
you look carefully at the tree
(see photo) you will see a
yellow dot. Follow the path
uphill , walk along the
mountain edge until the path
goes downhill again and you
will arrive at the road to the
campsite.
